**A TRUE TEST**

"Repeated chemical tests" have found  
first one brand of  
baking powder, and  
another at the head  
of the list, but the  
most satisfactory to  
all is that of the  
practical housewife  
who uses Silver Leaf  
and never fails to  
make light and  
wholesome bread.  
She cannot be in-  
posed upon, and the  
powder peddler who  
attempts to palm off  
something else on  
her as a better grade  
of goods will find  
reason to believe that  
he has misused his  
calling.
